SIR,

With reference to Government Order No. G.14823-80-P. & S. 66-29-2, dated the 27th June 1930, passing orders on the several recommendations of the Press Committee appointed by Government, I have the honour to point out that item No.19 of the schedule of work described as suitable for transfer to private presses (page 246-7 of the Mysore Gazette of 3.7.30) includes class examination papers of University colleges. I am to invite the attention of Government to the highly confidential nature of these examination papers, due to the fact that class examination results have their effect, in very many courses, on the final results of candidates for degrees.

For this and for other reasons the Vice-Chancellor is of opinion that the class examinations of University Colleges should continue to be printed by the Government Press when the number of copies required exceeds the number that can be conveniently prepared by cyclostyles and duplicators by the Colleges themselves.

I have the honour to be,
Sir,
Your most obedient servant,

V. Gopalaswami
